

Lowering costs and increasing data transfer quality in one smart move

 **Industry:**
Manufacturing

 **Product:**
HANDD Managed Services

 **Solution:**
HANDD MFT Managed Services

THE CHALLENGE

A manufacturing company needed to onboard an enterprise file transfer software with a short and strict deadline. They needed to quickly expand on their integration capabilities with a solution in line with their corporate governance model, lifecycle management, security standards and support model. They were reviewing multiple MFT providers and needed guidance from an independent specialist on the best fit solution and design to meet their requirements.

THE SOLUTION

The GoAnywhere Managed Service delivered by HANDD provides comprehensive automation workflow features that eliminate the need for custom scripts, single function tools and manual processes. With HANDD'S guidance, this manufacturer integrated GoAnywhere Managed Service, enabling them to streamline the exchange of data between their systems, users, customers and trading partners – all with full visibility.

THE BENEFITS

In the GoAnywhere Managed Service, our customer has a solution that will adapt to their ever-growing integration use cases. With easy integration without the need for custom script creation, they'll be able to reduce costs and improve the quality of their file transfers. And, with the application of strict policies set to meet their corporate objectives and round-the-clock support, the organisation will be able to comply with data security policies and meet their SLAs.
